Which hospital has highly qualified staff.

Based on the reviews:

- **Burch-White** hospital staff provided "outstanding care" to patient Nancy Lee.
- **Cunningham and Sons** hospital staff demonstrated "a high level of care" and "genuine concern" for patient Samuel Knight's well-being, with daily check-ins and follow-ups.

Which hospital doesn't have cleanliness ?

Based on the reviews, the following hospitals were mentioned as having a lack of cleanliness:

- **Vaughn PLC** (patient Donald Sparks, review_id: 3)
- **Garcia Ltd** (patient Stacy Lindsey, review_id: 33)

Which hospital is worst in case of services given to patient?

Based on the provided reviews:

- **Lewis-Nelson** hospital received a review stating the experience was "less than satisfactory" due to "unbearable wait times," "lack of communication from the staff," and a need for "improvement... in their efficiency."
- **Pearson LLC** hospital received a review stating the time there was "disappointing" due to "outdated facilities" and a "lack of communication between the medical team and me."

Both hospitals have received negative feedback regarding services, specifically a lack of communication. Lewis-Nelson also has complaints about wait times and efficiency, while Pearson LLC has complaints about outdated facilities.

Which hospital is mostly liked by patient based on service?

Based on the provided reviews, both Mcneil-Ali and Boyd PLC received positive feedback regarding their patient-friendly atmosphere and efforts to make patients comfortable.

- **Mcneil-Ali** was appreciated for its efforts to create a patient-friendly atmosphere, including recreational activities and support groups that fostered a sense of community and made the hospital feel less clinical and more comforting.
- **Boyd PLC** was noted for its welcoming environment and volunteers who went out of their way to make patients feel comfortable, contributing to a friendly and supportive atmosphere.

However, the provided information does not contain enough comparative data or multiple reviews for each hospital to determine which one is "mostly liked" by patients overall.

Which hospital have most of the patients?

Based on the provided reviews, both "Burke, Griffin and Cooper" and "Jones, Taylor and Garcia" hospitals have an equal number of patient reviews, with two reviews each. Therefore, it's not possible to determine which hospital has "most" of the patients from this limited information.
